Welcome to Unity of Fort Collins

We are delighted to have you with us! Unity encourages each of us to explore and apply spiritual Truth, to allow The Christ consciousness to be revealed through our individual expression. We come together to celebrate the practice of the presence of God. The five basic ideas of Unity support us in our practice:

1. God is good and everywhere present.
2. The spirit of God lives within each person, therefore, all people are inherently good.
3. We create our life experiences through our way of thinking.
4. There is power in affirmative prayer, which increases our connection with God.
5. Knowledge of these spiritual principles is not enough. We must live them.

**You did not say, "I'll go forth and struggle into joy,"
because from your Nonphysical Perspective you know
it is vibrationally impossible.
You cannot struggle to joy.
Struggle and joy are not in the same channel.
You joy your way to joy.
You laugh your way to success.
It is through your joy that good things come.**
