## Welcome to Unity of Fort Collins

We are delighted to have you with us! Unity encourages each of us to explore and apply spiritual Truth, to allow The Christ consciousness to be revealed through our individual expression. We come together to celebrate the practice of the presence of God. The five basic ideas of Unity support us in our practice:

1. God is good and everywhere present.
2. The spirit of God lives within each person, therefore, all people are inherently good.
3. We create our life experiences through our way of thinking.
4. There is power in affirmative prayer, which increases our connection with God.
5. Knowledge of these spiritual principles is not enough. We must live them.
